

CAMBRIDGE MEDICAL CENTER / HEALTHCARE

OPERATIONAL METRIC SOLUTIONS PROVIDED BY FUSION

Cambridge Medical Center is a regional health care facility providing comprehensive health care services to more than 30,000 residents in Isanti County, Minnesota, United States. The medical center comprises a multi-specialty clinic and an 86-bed hospital located on one campus. A same day clinic, retail pharmacy, therapy center and eye care center are also located in the facility.

One of the unique aspects of the medical center is its size. Although located in the small community of Cambridge, Minnesota the medical center has over 150,000 clinic patient visits each year, 4,000 inpatient hospital admissions and has over 100,000 outpatient visits annually. Fusion Consulting Inc provided solution for Operational metrics for Cambridge Medical Center.
